THE HAYDEN[®] **SUPER HOSE III**

Air Management

Protect your delicate drapes and upholsteries by reducing suction with the adjustable lever.

3-Way Power Switch

Complete power control at your fingertips.

Strain Relief

Helps maintain a consistent suction by preventing kinks in the hose.

Larger, Stronger, Crushproof

Light-weight crushproof hose makes coiling easier.

1-3/8" Hose Size

The 1-3/8" hose provides 11% more airflow than the standard 1-1/4" hose.

Full Length

Measured inside the cuff and handle ends provides true 30 and 35 foot hoses.

Hayden or Universal Cord Management

Will work with the majority of wands on the market today.

Hayden Connection

New Internal Swivel

Designed with internal swivel, the handle can rotate independent from the hose. This new feature prevents annoying twists in your hose that can cause strain to the operator.

Repairable Hose

“The only true repairable hose on the market today”

Mark Piepes
Desco Vacuums
New Jersey

Universal Connection

Pigtail Connect
With 6 ft. Cord

Direct Connect

Reversible Cuff

The 8058 Series Hose with Pigtail connection is easily reversible to a direct connect cuff.
